

# [Ebook] Scaricare New York Modern Architectures PDF EPUB MOBI - Massimo Brini

New York Modern Architectures - An "enhanced" eBook, interactive, multimedial (with videos), multilingual (English, French and Italian). A useful tool to explore some of the most interesting places "outside the box" on the latest architectural projects in the "Big Apple".

With it and your iPad or iPhone, you can interact with embedded maps, road references, subway network and, with an Internet connection, instantly access on-line maps (standard, satellite, hybrid and "street-view" related to the book content), web sites of Institutions, places and most important architects whose works, divided into different areas of the city (Manhattan, Queens and Brooklyn), are visually represented in this eBook.

Architecture, design and photography enthusiasts - or merely curious visitors who intend to spend some days in New York away from homologated tourist.....
